For a house to be  
successful, the objects in it  
must communicate with one  
another, respond & balance  
one another.

Everyone loves freshening  
things up—until you go to  
“checkout” & see just how  
much our small bedroom  
redesign is actually  
going to cost, that is.  
But you don’t have to drain  
your bank account to  
make it happen.
